Leader Checklist:

- Make every effort to recruit a willing replacement from the parents or other troop contacts that you feel would qualify.
- Be sure "Individual Girl Records" are up-to-date.
- Give Individual Girl Record to the girl if she is leaving Girl Scouting.
- If the girl is moving into a new troop in the service unit, turn the records over to the new leader.
- Report the status of your troop to the Service Unit Director/Troop Organizer and help find openings for the remaining girls where possible.
- All badges, patches, awards and other recognitions have been distributed to the girls.
- All troop money has been deposited in the troop bank account.
- An "Annual Troop Financial Report" has been completed, attached to a copy of the current year's troop financial records (bank statements and check book) and turned in to the Service Unit Director.
- I have turned in my checks and closed the account.

NOTE: Troop money can be divided proportionally among troops who receive continuing girls from your troop, used to start a new troop for the girls, or held by the service unit in case the troop is reorganized in the fall. The Service Unit Director and her team will determine the procedure in compliance with GSGATL's directions. Girl Scout troop money is not the property of individual girls and is never given to individual girls.

- All other books, supplies, records and troop possessions are to be turned in to the Service Unit Director.
