Mai-Lise Nguyen	Mai-Lise's Gold Award project involved raising awareness and involvement with the Make-A Wish Foundation .Her project involved traveling to and giving speeches at different schools and organizations around Atlanta to raise awareness of the organization. Mai-Lise also helped organize activities such as the father/daughter sock hop and lock-in for 4th and 5th grade girls that focused on character enhancement. She also volunteered at Kingsley Charter School where she worked with 3rd graders four times a week, the Georgia-to-Georgia Program, which sent 10,000 pairs of shoes to refugees in the Republic of Georgia, and the Refugee Women's Network where she helped create a national directory for battered women and children.
Brianna Schneider	Brianna built outdoor playhouses and decorated them for Habitat for Humanity. Brianna contacted businesses and other sources to have the supplies donated. Members of local Boy Scout and Girl Scout troops, neighbors and students from the Marist School all pitched in to help with building play houses.
