

2007

Tamara Dworetz	Tamara organized three musical variety shows for the residents at several assisted living homes because the arts are not easily accessible to the elderly who live in assisted living communities. These variety shows consisted of musical performances and activities led by peers at her school and musicians from her extracurricular musical activities.
Sarah Hendrickson	Sarah organized a Christmas celebration including dinner and gifts for the children living in local group homes.
Julia Simcoe	Julia planned and organized quilt block signing events for Operation Quiet Comfort. She collected jeans and cut them into 6.5 inch squares and then had troops and church members sign them with inspiring messages. She then sent them to Operation Quiet Comfort who assembled the quilts and gave them to injured service members.
