

YMCA Camp High Harbour – Girl Scout Weekend

Permission To Participate In Activities At Camp High Harbour

Girl Scout Name: _____

Troop Number: _____

Troop Leader: _____

High Harbour Session: (circle one)

Session I – August Weekend

Session II – September Weekend

Does your daughter swim in deep water without a personal floatation device?	YES	NO
LEADERS: Note anyone marking "NO".		

Girls not comfortable swimming in deep water without a PFD can only be in water where feet touch the ground and heads are above water. They can participate in shallow-water swimming and canoeing, but are restricted from other waterfront activities.

Be aware High Harbour’s policy states everyone at the waterfront must wear a personal flotation device (PDF) while at the waterfront – regardless of swimming ability.

Please indicate if you give permission for your scout to participate in these activities. Some activities are restricted to girls of certain ages <u>and</u> swimming abilities. (To make this easy, you can mark "May Participate" for all since only appropriately-aged girls will be scheduled for the various activities.)		
<u>Activity</u>	<u>May Participate</u>	<u>May Not Participate</u>
Archery (4 th grade/Juniors and older)		
Bun Busting/Tubing in ski boats: 4 th grade/Juniors and older who are deep water swimmers		
Blob (All ages can participate in "blob wars" – jumping onto the blob and moving to end without being pushed off into water. Only age 12 and older can jump from higher tower onto blob.)		
Canoes, Kayaks and Peddle Boats: Deep water swimmers		
Gem Mining in creek (all ages)		
High Ropes Course (age 12 and older)		
Low Ropes Course (all ages)		
Nature Hike (all ages)		
Ring Ride on Horseback (Brownies)		
Rock Wall (lower rock climbing wall, 4 th grade/Juniors and older)		
Rock Tower (high rock climbing tower, 6 th grade/Cadets and older)		
Softball batting cage with machine pitch (4 th grade/Juniors and older)		
Swimming (all ages)		

Parent/Guardian Signature: _____ Date: _____
